member iapd international association of plastics distribution

Subject:	**Contact Information**	PAGES:	1
		DATE:	April 2010

The WS Hampshire Co.
is pleased to work with you as a distributor partner.

To facilitate our business, you now have access to end user pricing for the Ryertex and Strongwell product lines with a distributor discount schedule for both product lines.

For technical assistance, you can contact our customer service office or visit our websites to find additional technical information that is available to provide to your customers.
