- Decking
- HandRail Systems
- Bulitex
- Versatex
- Wesliner
- Glassteel

Thermal Boards

- Calcium Silicate Boards
- Cement Boards
- Glasstherm

Ryertex Phenolic

- All grades of paper, cotton, linen & glass available

MATERIALS

- Flexible Papers and Films
- Thermoset Phenolics
- Ryertex
- Wesliner
- ThermoPlastics
- Fiberglass Composites
- Structural Fiberglass
- Thermal Insulation Boards
- Fabricated Products

MARKETS

- Construction
- Medical
- Electrical / Electronic
- Food Equipment
- Motor / Generator / Transformer
- Heavy Industry
- Military
- Oil, Gas & Mining
- Power Generation
- MRO
- Transportation
- Waste Water Treatment

FABRICATION

- Lathe turning
- Sawing
- Routing
- Drilling
- CNC Machining
- Oil Grooves
- Slitting
- Sheeting
- Rotary Die
- Vacuum Forming
- Thermo Molding
